Unicorn Theatre presents

Billy the Kid

Captioned Performance:

Saturday 22nd October 1.30pm

About the show:

The only thing Billy ever wanted to do was play for Chelsea - and his dream came true when he was signed by the club to become a champion striker for the first team. But that was 1939. Then the Second World War began and Billy's life changed forever. Will Billy the Kid ever see his beloved Chelsea again? And will they remember him?

A heart-warming story of football, war and dreams.

Billy the Kid is adapted from the hit novel by Michael Morpurgo, former children's laureate and award-winner author of popular children's books, including *War Horse* and *Private Peaceful*.
